## HUNTING FREAKS.

## A Native in Quest of Wild Men.

A native employed on Hon. Paul R. Isenberg's ranch at Waiakala was arrested on Saturday for lassoing a Chinaman and dragging him quite a distance. The case will probably come up this morning in the Police Court.

It seems that the native did not commit the act with any brutal intent, and the cause is supposed to be as follows: The young man had read about the wild man who frequents Hawaii, and being in a mercenary frame of mind, he commenced to figure to himself about how much Sells Brothers' cirens would pay for a wild man on their return from the antipodes. He evidently settled the matter to his own satisfaction, and immediately started in quest of the freak. He waited and watched for the wild man who was to make his fortune, as the pets of the police wait for a che fa drawing. Nothing appeared to gladden his heart, with the exception of the Mongolian. A happy thought struck him, he would secure the Chinese and drag him over the rough roads until he made him wild, and later would paste feathers on him, thus making a hairy wild man—a freak very much in demand by dime museums. He succeeded in making the yellow man wild to the extent that he caused his enterprising captor to be arrested. The native has lost his chance to make a snug sum, and the Chinese is at liberty to smoke "dope" and play che fa under the protection of our never idle police.

J. Alfred Magoon has a Diebold safe for sale.

"Vistas of Hawaii" is not only artistic, but it is a mine of valuable information not to be found anywhere else. Copies mailed postage free, on application, to the Pacific Hardware Co.

## "August Flower"

For two years I suffered terribly with stomach trouble, and was for all that time under treatment by a physician. He finally, after trying everything, said stomach was about worn out, and that I would have to cease eating solid food for a time at least. I was so weak that I could not work. Finally on the recommendation of a friend who had used your preparations

A worn-out with beneficial results, I procured a bottle of August Flower, and commenced using it. It seemed to do me good at once. I gained in strength and flesh rapidly; my appetite became good, and I suffered no bad effects from what I ate. I feel now like a new man, and consider that August Flower has entirely cured me of Dyspepsia in its worst form. JAMES E. DEDERICK, Saugerties, New York.

W. B. Utsey, St. George's, S. C., writes: I have used your August Flower for Dyspepsia and find it an excellent remedy.
